## Tyd om totsiens te sê

Soos geskryf staan in Prediker 3:1 het elke ding sy vaste tyd : Dit het tyd geword om vir Ulrike (née Meyer) Hanekom te groet. Ons kan dit doen met die wete dat die Here in beheer is en dat sy tydsberekening volmaak is.

Ulrike gebore 19 Augustus 1961 en oorgestap 12 April 2022.

Ons mis jou. Jy was 'n steunpilaar van CiviNovus, die Skool vir Sosiale Innovasie by Hugenote Kollege, familie en vriende. Dankie vir jou onbaatsugtige diens, omgee en bereidwilligheid om te help. Jy het meer gegee as geneem.

Ulrike se integriteit was een van haar uitstaande kenmerke. Sy was nederig en het die moed gehad om die regte ding te doen al het niemand gekyk nie. Sy was kreatief, prakties en goed met detail. Dit het sy uitstekend gekombineer in haar hoedanigheid as administratiewe bestuurder van CiviNovus. Ulrike was altyd bereid om die ekstra myl te loop sonder om daarvoor gevra te word.

Om iemand soos Ulrike te verloor is seker die seerste groet van almal. Ons weet die afskeid is nie finaal nie en dat sy oorgestap het om in die huis van ons Vader waarheen Jesus gegaan het te wees. Lees gerus die Gedagte vir die dag: Tyd om tot siens te sê in <https://maroelamedia.co.za>.

## **Nalene Truter wrote about her view on integrity**

### **Introduction**

Integrity can mean or refer to a number of concepts, feelings, thoughts, actions, behaviours, personality traits, and the list goes on.

The ultimate meaning of integrity can be found in and derived from the actual word, by splitting it into “Inte(r)” and “grit”. “Inte(r)” refers to something within, an internal thought, feeling or personality trait, whereas “grit” means to have courage, tenacity, determination, or a backbone. This essay will now endeavour to further explain integrity, as well as exploring why it is important and how integrity can be developed.

### **What does integrity mean?**

Integrity is synonymous with honesty, fairness, decency, being consistent and considerate towards the well-being of others. It also refers to being responsible and accountable for your actions and realising that your actions and behaviour have consequences and impact other people.

To act with integrity means you represent yourself through strong ethical and moral practices. You also understand the impact you have; you accept what is right and what is wrong, what is good and what is evil, and you are committed to always act the same. You will treat others the way you would like to be treated.

### **Why is integrity important and how do you develop it?**

Due to integrity being an internal character trait, it provides a sense of wholeness and power. It is not an action that is clearly visible externally, but by always acting with integrity a person portrays his/her wisdom. Wisdom will provide spiritual growth, acceptability, flexibility, respect and ultimately will lead to building trust.

Integrity can only be developed and starts with personal integrity, acting consistently according to moral beliefs and values, committed to being fair, being decent and humane towards others. Through these actions, others will be inspired to follow.

### **Conclusion**

Develop and raise integrity and you will develop and raise society.
